

POSITION TITLE: Emergency Response Initiative Member
Location: 3755 Dunkirk Lane North, Plymouth, MN 55446

The need is now. COVID-19 continues to create challenges for Minnesotans and you can make all the difference! Offer your time and talent as an AmeriCorps Emergency Response member. Bloom Early Learning & Child Care is looking for people to give their time and talent to help support our community and meet critical needs.

Members will be providing much needed support for education and youth enrichment, and health and wellness, serving 35 hours per week for ten weeks at a variety of community partners.

Bloom Early Learning & Child Care, located in Plymouth, MN, is looking for a positive, enthusiastic, creative ERIM to join our center, and contribute to our mission. Bloom is a non-profit, NAEYC accredited early learning and child care center that provides a passionate, nurturing and exceptional quality programs required to help the diversity of children & families learn, thrive and grow. *We are a smaller center with a BIG mission.* Our mission is to provide quality, affordable early childhood care and education for working families. At Bloom, we are committed to reaching out and providing access to low-income families in our community. We strive to offer 50% of our capacity to children and families needing tuition assistance.

Here at Bloom Early Learning we need 2 people to work directly with staff in a classroom setting.

The position duties include but are not limited to:

- *Working cooperatively to maintain our near perfect NAEYC ratings, our high levels of parent satisfaction and the stellar outcomes of our children.
- *Helping to facilitate a safe, healthy environment with developmentally appropriate learning, for children, and families.
- *Assisting Teachers with classroom, help serve meals, maintain cleanliness of classroom and facility, greet children and parents and build positive bonds with them.
- *Interact with children to support learning through play. Excellent people skills are a must for this team teaching environment.
- *All staff are expected to actively participate in providing an environment for the children to learn, thrive, and grow through fostering nurturing behaviors.

Perks as an ERI Member

- A stipend of \$750 every two weeks
- Individual health insurance (monthly premium 100% paid)
- An additional \$1,311 for tuition or student loans
