Bloom Closed November 25th and 26th

Bloom will be closed Thursday, November 25th and Friday, November 26th for Thanksgiving and the day after. We hope you all enjoy celebrating your traditions with your family!

Virtue of the Month

Thank you all for sharing pictures and times that you have seen your children showing perseverance! We loved talking about it in our classrooms and practicing it each day with all of the hard work that the children do! We love celebrating when they get through it and accomplish it! This month our virtue is thankfulness! On our virtue of the month board we will have leaves that you can write what you and your child are thankful for and add it to our thankful tree!

Winter Weather Reminders

A reminder that all classrooms go outside every single day, unless the wind chill is below 20 degrees. Going outside every day is a requirement of all licensed centers in Minnesota. Please remember to bring weather appropriate clothing!

A quick review of our winter weather policy. We close and delay when the Wayzata Public School District closes or delays. If Wayzata closes for wind chill, Bloom will remain open as long as driving conditions are not deemed hazardous. If it is advised that travel may be dangerous, we will close. One of the major factors when we decide to close due to wind chill is how we can effectively evacuate the building in the case of an emergency. Information of delays and closings will be posted on WCCO and communicated through email.

Parent Question of the Month

You may have noticed our new addition to the parent desk this month. This is our parent question of the month. We want to know how you feel about the things that are happening around Bloom. Please take a minute to drop a rock in the bucket that corresponds to your answer, or leave us a note with your thoughts! We love hearing from you!

Pie with Parents

Tuesday, November 23rd will be our annual Pie with Parents event - Covid style! We will have various types of pie all packaged up for you to bring home and share with your family! Fingers crossed that next year we can have our thankful feast and pie all together with our classrooms!

Wayzata Parent Education

At Bloom we are very lucky to work closely with Wayzata School District. One of the many opportunities they have is having a parent educator on staff. During the 2021/2022 school year she will offer classes throughout the year that cover topics from potty training, separation, siblings, limit setting, activity ideas, and more! Make sure to check back often as classes are continuously added! Classes are also offered virtually! You can browse and register on their website! Another service that is offered is one to one parent coaching. If you are interested you can submit a form here or call 763-745-5290.

Blood Drive

November 30th Plymouth Presbyterian will be holding a blood drive in the parking lot here from 3pm to 7pm. A mobile donation site from Memorial Blood Centers will be at the back of the parking lot and should not affect pick up.

Book Order

We have another Scholastic book order available on the parent desk. Book orders will be due next Friday, November 12th. We are submitting a little early to hopefully get delivery by the holidays. Our classroom code is:YG899
