

May 2022

Parking Lot Safety!

Please ensure that you are turning your cars off, locking them, and bringing in all valuables and children when you pick up your child. Plymouth has had a few car break ins at child cares across the city in the last month and we want to make sure that you and your vehicle are kept safe! Child care's are often targets for thief's, as parents often leave everything in the car while they run in quickly. Please make sure to use extra caution at drop off and pick up!

New Staff and Staffing Changes

We are so excited to welcome Ms. Kayla and her daughter to Bloom! Ms. Kayla will be helping out in our Toddler Room! We also are excited to welcome Ms. Lily back to our toddler room in June! She will be back to help out and keep things running smoothly during Ms. Sue's maternity leave!

Construction

As you have probably seen (and heard about from your child!) we have lots of construction happening all around us. This April the sale of Dundee Nursery and part of the land Plymouth Presbyterian Church is on was finalized and construction has already gotten underway. They will be building a new medical office with floors of condos on top, as well as a new parking lot and a green space/park over the next two years. There will be some changes to our playground, parking lot and drop off space. Updates and information will be sent out as it is received!

Teacher Appreciation

May 2nd to May 6th is Teacher Appreciation Week! Help us celebrate and thank our amazing teachers by printing off a thank you note and coloring it, stopping by to say thank you, or visiting our Parents Page on the Bloom website to sign up to help bring a treat! Thank you for helping thank our incredible staff!

CACFP Forms

Be on the lookout for new food program forms from your child's teacher! Each family will need to fill out one form. As a reminder, Bloom is a part of the State Food Program which helps offset the cost of providing health and nutritious meals each day to the children. The form will ask for some financial information, to better help understand the amount of money that we get reimbursed, so that we can keep investing it into new healthy foods! Please find Kati if you have any questions!

New Covid Policies

Updated Covid policies were sent out to parents on 4.1.22. They will also be located on our website! Reminder that starting May 1st, tuition will continue to be charged, even if a child is out due to COVID. Please reach out with any questions or concerns!
