

## ~ Preschool ~

Hello July! We can't believe how fast June has passed us by and we can only imagine how fast July is going to go. A HUGE congratulations to our 2022 Bloom Early Learning Graduates.

Over the last month, we have started our summer camps. We have learned about bugs/insects, camping, water week, and beach week! Each week we focused our theme to try and create new experiences for each of our students as summer is always extra fun time of the year! During the month we had a fire truck come to Bloom to teach

us all about fire safety. We got to look at the fire truck and explore the different equipment that they have throughout the truck!

Our virtue this past month focused on courtesy. We learned about our virtue through classroom discussions, everyday experience's/modeling, and reading books. In between all the

fun of summer camps, we have also been learning about construction as we have daily views of various large equipment moving around outside.

During the month of July, we will be focusing on the 4th of July, Olympics, Sports week, and Science Camp! This month we are going to be focusing on our virtue Responsibility. We will be learning this through everyday experiences, group activities and reading. One example of everyday experiences is giving your children responsibility for their own belongings. Make a

check list that you can go through Sunday night or Monday morning before school to help ensure that your children have everything they need for the week such as: blanket, water bottle, extra clothes, bathroom necessities, etc. We will continue noting if we have any special days through our Tadpoles app.

This month we will be celebrating Ivy and Isaiah's birthday. In the middle of June we welcomed Lily to our classroom for the summer. She has come back into town from College and worked with Bloom Early Learning during the summer of 2021! We currently have Larissa, Mariatu, Karin, and Lily working in the preschool classroom. This month we are welcoming Trey into the Preschool room as he has been transitioning from the Toddlers. If there are any days that your children are going to be out of school for a day or more, please email the preschool room, Kati and Ashley! Just a reminder that we are now using the email for our classroom [preschool@bloomearlylearning.org](mailto:preschool@bloomearlylearning.org) , if you have any concerns or questions feel free to reach out at any time!

Reminders:

-It's time to update extra clothing to weather appropriate clothing

-Wear closed toed shoes at all times during the day

Happy July! We love having you in our class!

- Larissa, Mariatu, Karin & Lily!
