

~Pre-K~

In January we had a fun time learning about everyone's similarities and differences. We enjoyed learning about inventors and inventions and coming up with our own inventions. We are working hard on fine motor skills to help gain muscles in our writing hands! We have introduced last names and will be practicing name writing.

For February we are excited to continue to learn about each child through star student. Be on the lookout for more information to come on when it is your child's turn to be the star of the week, we will continue this until everyone has had a turn. We will also be celebrating the 100 days of school. Please be on the lookout for information to come. That day will be celebrated with special crafts, activities, a special show and share and a special treat.

This month we will be focusing on Arctic Animals (Penguins and Polar Bears), love-kindness, Friendship and Valentine's Day through a variety of daily activities, math/counting, and process art. Our focus on love and kindness will be showcased through our daily actions towards our classmates and teachers. This virtue holds a large value in our community setting.

Special Days

February 2nd: Groundhog day (Special Craft)

February 7th: 100th Day Party (Dress as a grandpa or grandma)

February 9th: National Pizza Day

February 14th: Valentine's Day (Wear Red, Purple, or Pink)

February 16th: Whale Appreciation Day

February 27th: Pink Day (Wear Pink)- Polar Bear Day

We look forward to all the special things and activities that will go into this month of LOVE.

XOXOXO

Your Pre-K Team
