

~Toddlers~

January was all about winter and snow. The month started with learning about the winter animals and people that live in the cold climate. The class enjoyed using different materials to build different structures such as an igloo and a bear cave. Snowmen were a huge topic in our room, the month ended with us using the book, "If Picasso Painted a snowman." Using the book as a guide we tried different art techniques to create different types of snowmen inspired by a variety of famous artist. Check out our art in our hallway.

February is a month filled with excitement as we celebrate Chinese New Year. This is a fun celebration every year in the toddler room, the class will listen to new music, read a wide variety of books, an try different art projects all inspired by the Chinese's year of the Rabbit.

The next two weeks is dedicated to love and friendship as we explore our Virtue of the month: Love. We will dive deep into this wonderful virtue and learn what we can do to show love to our family, friends, and community. The class will celebrate Valentine's Day on February 14th. You are welcome to wear your favorite red outfit to school and bring valentines to pass out to the class. We have 18 students and 4 teachers in the toddler room, and we request that you label the valentines with:

To: My Friend

From: Your child's name.

This will make it easier for your child to pass out their valentines to their classmates.

Did you know that February is National Dental Heath Month? We are excited to end the month will learning everything about teeth. The class will learn about our own teeth and how we can keep them healthy as well as exploring different kinds of teeth in the animal kingdom. Using different science skills, the class will explore differences between different kinds of teeth and their uses. This will be a very exciting topic in our room.

All about me worksheet will go out on February 17th, please hand them into the toddler room by February 25th. These will be used for an activity in March.

February 14th: Wear **Red**

February 25th: All about me worksheets due

XOXOX
