

April 2023

Share Sites

Homeroom is up and running and we have fully switched over to using this program for the past month. Homeroom will only hold up to 1000 photos at a time. With that being said, please make sure you save any photos that you see of your child!

Read-A-Thon

Bloom is participating in a month long Read-A-Thon for the month of April! Reading books to children stimulates their imagination and expands their understanding of the world. Reading helps develop language and listening skills and prepares them to understand written word. There will be an online portal where you can log the amount of books read at home. All the classrooms will be logging books read on the website as well as having a visual log in their room!

Staff Changes

Ashley is still our interim director, they have been holding interviews for a new director and as soon as we have hired someone new an email will be sent out to all the families!

NAECY Week Of The Young Child

The purpose of Week Of The Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. WYC was established in 1971, recognizing that the early childhood years (birth-8 years) lay the foundation for children's success in school and later in life. At Bloom our classrooms will be doing different activities based on this years theme; Music Monday, Tasty Tuesday, Work together Wednesday, Artsy Thursday, and Family Friday. Keep a look out for the flyer showing our spirit week outfits correlating with the theme!

Celebrations

We have lot's of birthday's this month! We are celebrating Ms. Larissa, Ms. Elizabeth, Emerald, Henry, Jordy and Jonah's birthdays!
