

~ Preschool ~

Hello November! During the month of October, we talked about Fall Harvest! We will be learned about apples, pumpkins, harvest, farmers markets, etc. throughout the month. We had our dramatic play area set up as a Farmer's market working with money, foods, flowers, and customer service! We also learned more about these topics throughout the day from reading books, group discussions, and activities during small groups. On top of our month theme, our virtue that we will be focusing on is perse-

verance! Throughout our days we focused on encouraging the children to continue trying to do something even when it is hard because we are capable of doing hard things! This doesn't mean that we are going to do it right away, but that we can always try again after a little bit of time.

During the month of November, we are going to be learning

about Foods and Flavors! We love to start talking about recipes, creating recipes, and making recipes each week. We will also be learning about food groups, creating food related art, and activities related to food. This month our virtue is: Thankfulness. We are going to be learning more about thankfulness through books, teaching modeling and discussions throughout the day. This is a great time to pay close attention to how you are modeling thankfulness at home.

Ways that you can help model thankfulness is by writing thank you cards, saying thank you when someone does something for you, talking about reasons you're thankful for people, things, special moments, etc.

This month we will be closed on November 23rd and 24th. We will be celebrating Mustafa's birthday in our classroom. We will continue using water bottles at school, but the water bottles are going to have to stay and school to get washed and sanitized each night. Please check your child's cubby to make sure they have weather appropriate clothing and an extra set, just in case any-

thing happens. Every week blankets and nap belonging's need to be brought home to be getting washed over the weekend. As always, if you have any questions or concerns email preschool@bloomearlylearning.org!

Happy November! We love having you in our class!
- Larissa, Mariatu, Kassidy, & Karin!
