Happy April, families! Spring is finally here and we cannot wait to get back outside as we start another month of fun! Our March was spent talking about reading, St. Patrick's Day, and Eric Carle/Dr. Seuss! We talked about our favorite books and celebrated our visit from the leprechaun while completing our Read-a-Thon all month long. Our virtue of Honesty was demonstrated through stories and small group activities. Some class favorites for us this month were creating a trap for the leprechaun and dressing up as our favorite book characters! We love getting to spend every day with your children and cannot wait for another month of fun together!

Now we welcome April! This month we will be talking about our virtue which is Friendship; we will integrate that virtue into our daily lessons and activities. April's lessons are centered around gardening, all things Spring, The Week of the Young Child, and the alphabet. Lesson plans will be updated for each week in Tadpoles, check it to see specifics on activities and updates! The Snake Discovery event is on Wednesday April 1st, please sign the permission slip or talk to Larissa/Robyn if you have not already! **We are closed on Friday, April 3rd for Professional Development!**

We have some dress days planned during April! Our special days include:

**Thursday, April 2nd: Hat Day**

**Tuesday, April 7th: Dress to Impress**

**Wednesday, April 22nd: Wear Green or Blue (Earth Day)**

**Thursday, April 30th: Pajama Day**

**Reminders:** Please keep an eye on changing weather! Keep checking tadpoles for updates on supplies your child may need throughout the week (pull-ups, extra clothes, etc.)

**Birthdays:** No Birthdays this month!
