November Center Notes

Thankful Feast

We are excited to share that our Thankful Feast from around the world is coming this month! This is our largest family event of the year. Parents, siblings, and grandparents are invited to join each student for a Thanksgiving lunch in Heritage Hall. We look forward to this event as it brings all of the families together to connect over a meal. The children will be working on the decor for the tables and walls. Our talented kitchen team will be incorporating a few recipes from the families and staff at Bloom. Mark your calendars for Wednesday, November 25th at 11:00. We will post the sign up shortly at the Parent Desk.

Conferences

The classrooms each have time in the month of November for parent teacher conferences. This is a great opportunity to connect with the teaching staff on happenings throughout the day, and collaborate upcoming goals and skills that will be practiced by your little one. Classrooms start the conference process by handing out the pre-conference questionnaire. Please make sure you fill this out for staff to have time to prep any items that may be useful. This is also a great touch point to ensure families are registered in the school district that they live in, and our 3-5 year olds have completed their early childhood screening. Please keep an eye out for the sign up sheets in the rooms.

Elizabeth Appleseed

The rooms will have a morning storyteller, Elizabeth Appleseed on Friday, November 6th. She will share seasonal songs and stories that connect to the season of fall, and touching on the virtue of the month, thankfulness. Sharing stories of gratitude is a wonderful way to model the virtues that we hope to have the children learn and grow with. We are thankful for a generous Thrivent grant that is making this storyteller possible.

Birthdays & Anniversaries

This month we would like to wish Lilly, Nishi, and Taylan a very Happy Birthday!!!

Did You Know?

- That our staff's average for years worked at Bloom is 7.5 years. Our longest serving employee has been here for 22 years!
- Strawberries are our kiddos favorite fruit!
- We have multiple volunteers throughout our organization; from board members, readers, quiliters, and totes for hope shoppers, our mission is impacted by many hands!
- If your child is on a medication, please let your child's teacher know.

Closure Dates

Thursday, November 27th

Friday, November 28th

Christmas Eve through New Year's Day
